**ELECTION! ELECTION!**

**MAYOR'S OFFICE,**
CITY OF RALEIGH, March 8, 1869.

In pursuance of a resolution adopted by the Board of Commissioners, notice is hereby given, that an election will be held on the 8th day of April, 1869, at the Court House, in this City, wherein the qualified voters of the City shall express their approval or disapproval of the question, whether the City of Raleigh shall borrow FIFTY THOUSAND DOLLARS in the manner, and for the purposes mentioned in the following act of the General Assembly of North Carolina.

WM. R. HARRISON, Mayor.

AN ACT TO ENABLE THE CITY OF RALEIGH TO BORROW MONEY FOR CERTAIN PURPOSES.

*The General Assembly of North Carolina do enact:* SECTION 1. That for the purposes of paying present and indebtedness of the City of Raleigh, and also for meeting the expense of improvements to be made by the same, the City is hereby authorized and empowered to issue bonds severally of such sums or denomination, payable at such time or times respectively, drawing interest at such rate, not exceeding eight per cent. per annum, payable half yearly, of such form and tenor, and transferable in such way as the Board of Commissioners of said City shall deem most judicious. The said bonds so to be issued shall be disposed of upon the best terms practicable. *Provided*, That said bonds be of the denomination of one hundred, and five hundred, and one thousand dollars, respectively, and in such proportion as may be credited advisable, and *Provided further*, That said bonds shall not exceed fifty thousand dollars, and the bonds having twenty years to run.

SEC. 2. That the Board of Commissioners of the City of Raleigh are hereby authorized and empowered, and it shall be their duty, to provide for the payment as well of the principal money as [illegible] accruing interest of the bonds to be issued under the power granted in the preceding section, by annually laying particular taxes for those special purposes on all the persons and subjects of taxation upon which said Board of Commissioners now are, or hereafter may be authorized to lay taxes, for any purpose whatever, and such taxes shall be collected and specially and exclusively applied to the satisfaction and discharging of the interest, and also of the principal money of such bonds, and so much thereof as may not be annually required to pay such interest and coupons, be applied in the charge of the principal money of said bonds, and it shall be so invested as to secure the payment of such principal money upon maturity of said bonds. For the purpose of securing the due assessment of the amount to be collected from year to year and applicable to the payment of the principal money of said bonds, the Board of Commissioners aforesaid shall appoint some suitable person to be styled "Commissioner of the Sinking Fund of the City of Raleigh," whose duty shall be, under such general rules and regulations as said Board may prescribe, to annually in June of each year, to make investments of so much of the taxes collected as aforesaid hereby be applicable as aforesaid to the payment of the principal money of said bonds, and to do and perform all such other services in connection with the debt of the City of Raleigh as said Board of Commissioners may prescribe, and which said Commissioner shall pay over to and receive such compensation for his services as said Board of Commissioners may determine.

SEC. 3. The bonds of the bonds authorized to be issued by the first section of this Act shall be disposed of either by sale, exchange or otherwise, for any purpose whatever, other than that declared in said section; nor shall any of said bonds be applied either by sale, exchange or otherwise, in satisfaction, discharge or renewal of any one of the class of debts referred to in said section, until such debt shall have been first duly audited and approved by the Board of Commissioners of the City of Raleigh.

SEC. 4. The provisions of this Act shall be submitted to a vote of the qualified voters of the City of Raleigh, at an election to be held at the Court House in said City, at a day to be designated by the Commissioners thereof, which shall not be less than thirty days after the ratification of this Act. Those approving the provisions of this Act shall deposit in the ballot-box a slip folded containing the printed or written word "Approved." Those disapproving the same shall deposit a like ballot with the words "Not Approved." If a majority shall vote "Approved," it shall be deemed and held that a majority of the qualified voters are in favor of giving the Commissioner authority to issue the bonds of the City as mentioned in the Act, and likewise to levy and collect the necessary taxes to pay the interest and principal of said bonds as above mentioned. If a majority of said voters shall vote "Not Approved," then this Act shall be of no effect. Those qualified to vote for Mayor and Commissioners of said City, and none others, shall be allowed to vote, and the election shall be held and returns made, under such rules and regulations as exist in case of election of civil officers. It shall be the duty of the Mayor to cause a copy of this Act to be posted at the Court House door, and to be published in the Raleigh Standard and Sentinel, daily for twenty days preceding the election, and he shall publish in like manner a notice of the election. Public notice shall be given of the result of the election.

SEC. 5. The Commissioners of the City of Raleigh shall have power, consistently with the laws of the state, to provide for the registration of voters, and to take all measures necessary and proper for holding the election as contemplated in this Act.

SEC. 6. This Act shall be in force from and after its ratification.

Ratified this 3d day of March, A. D. 1869.

**IMPORTANT TO MILL OWNERS.**

IN ORDER to accommodate the Milling public with 'GODWIN'S PATENT VENTILATOR AND BOLTING CLOTH CLEANER," the undersigned has reduced the price of his Small Machines to $75. The two will be combined. This important invention guards against damp wheat and damp weather, thoroughly cleaning the Cloth each revolution the Reel makes, and filling the Reel all the time with cool air. Send them your old Machine and have them renewed thereby saving the price of a new machine. They will be returned and warranted for four years. In no case buy a Smut Machine without writing to me first, as there are Machines now being sold as McMannen's Smut Machines which are only an imitation.

## COWARDLY ATTEMPT TO MOB AND ASSASSINATE.

### Governor Holden Speaks to Incite THE MOB, WHEN WE HAD Been disarmed by his Police.

### HIS SON JOE THREATENS TO SHOOT US ON SIGHT.

### GEN. ESTES, KILPATRICK'S ADJUTANT-General and Carpet Bagger from New Hanover, declares, "Any Man who would Shoot Joe Turner even in the back, COULD BE PARDONED FORTHWITH for the act—and he did not know but he could have a pardon in his pocket before committing the act."

We heard in Smithfield, on Tuesday morning, that Joe Holden, in company with a one legged Federal soldier had been to our office, sticks in hand. On Wednesday Joe Holden and Farris, the keeper of the Capitol, and Prince Ladlie, Dr. Sloan and Pruyn, who sold the 8,000 acres at $100,000 for the Penitentiary, were seen walking in the direction of our office.—Sloan, Pruyn, and the Prince, sat upon the Court House steps, fifty yards off, while Joe and Farris came with sticks into our office. They soon returned, when Sloan, Pruyn and the Prince rose up from the steps and the parties separated.

When we reached the depot from Smithfield on Wednesday evening, a lad entered the train and informed us that Joe Holden and some dozen carpet-baggers, negroes and natives, were on the platform with clubs to attack us. We went out of the West entrance, as we always do. We have not gone out of the Eastern gate since the depot has been enclosed.

A gentleman from Sheffield, England, who was unarmed, and whose acquaintance we had recently made, walked by our side, for the purpose of seeing a fair fight.

When we had gone some hundred and fifty yards up —— street from the depot, Menninger, with a stick in hand, came up in our rear and asked if we wrote the article on carpet-baggers. We are informed to-day, that he says he had, at that time, a pistol in his pocket ready cocked. We replied, come to our office and we can give you full satisfaction on that subject. He said it we did write it, we were a rascal, and interspersed his conversation with some of the elegant oaths that Gov. Holden used to Chief Justice Pearson, when informed that the Auditor had been ordered to jail for contempt of Court. In the meantime, Cebe Harris, the Superintendent of Public Works who located the Penitentiary, was marching up in the rear of Joe Holden and others.—When we came to Davie street we turned into it and after advancing some thirty steps turned, and, standing in the middle of the street we drew a six shooter, which had been handed us on the cars, telling the conspirators they were too many for us, and the man who advanced would be fired upon—no one advanced and no one was fired upon.

Here two police officers came in and commanded the peace. We refused to surrender our arms to two different officers, who, hesitating to seize them, seemed tacitly to acknowledge our right to hold them.—Mayor Harrison, the Governor's brother in-law, came up and, against our repeated remonstrance, compelled a surrender of our arms.

We were, between two police officers, marched up Davie street into Fayetteville street, through the market yard and into the Mayor's office, (just over the city prison.) Grinning negroes, rejoicing carpet-baggers and renegade secessionists flocked around, about, before and behind us.

The first man we saw in the Mayor's Court was Prince Ladlin, the man who sat upon the Court House steps. He came in as a bowery boy would to the "Old Bowery," to enjoy the sport, and in his eagerness to get a seat, he fell half way to the floor. Then came Cebe Harris.—Federal Officers in uniform, negroes and natives.

Samuel Merrill, our unarmed friend, was the only witness examined by the Mayor. He testified as to the assembling of the posse at the depot, and their then following us. He gave no evidence to convict us of a breach of the peace, but of a purpose to repel attack.

The Mayor, and his two officers, Ballard and Martin, especially, behaved very well. The Mayor, we think, made three mistakes; though we discovered in his action nothing but the purpose of a man to do what he thought was his duty.

We think he should not have taken our arms from us.

We think he should not have bound us over to Court, when we had violated no law of God or man.

We think he should have ordered the Governor to the Guard House *for* contempt, and an attempt to stir up others to break the peace.

When Jo., the Speaker of the House, was called upon for bail for his appearance to Court, he named "Dad" and "Dave," though he did not use our abbreviations for the Governor and the Treasurer.

The Governor instead of signing the bond stood upon the bench and harangued the multitude. He said he was aware of what was going on, and he came expressly to be bail for his son, and to signify his approval of every thing that had been said and done.

The Mayor commanded the Governor to be silent, but he harangued the more. The Mayor said "I respect you in your office Governor, and you must respect me in mine." The Governor said he was the Chief Executive, but he was also a law-abiding man; his family had been assailed; he never assailed any person's family.

The Mayor again commanded silence.

We spoke, and said, "Allow the Governor to go on and let us reply to him." At this the Governor flew into a rage. "No Sir," he said, "you shan't reply! you shan't reply!! You shan't insult me!!!" We coolly asked, "Who says we shan't reply?" "I say so," said the Governor, "I say so." Joe and one of the Jenkins' family (as we are informed,) re echoed the war cry of the Governor, and "I say so." Jenkins, Jr., started to pull off his coat.—Joe. felt about his clothes as if there was a ground squirrel or pistol in them, and the crowd came up like angry billows at Neptune's bidding. Ballard, the District Constable, seizing our pistol which he had laid upon the Mayor's table, commanded peace, which produced a stampede. Some jumped out of the windows, some fled down stairs crying they are going to shoot.

Preacher Wynne, who once challenged our beloved Governor to mortal combat, seized him (as we are told) around the person, and pressed him back towards the corner, swearing he was forty-nine years old and could whip any man in the house. The pistol and the promptness of Ballard suppressed the riot, which the Governor's harangue had well nigh raised against a man he knew to be unarmed.

In the great up heaving of the mob, we changed our base, and asked of the few friends we knew in the crowd for a pistol, but not one could we get. We succeeded in borrowing a small cane, which looked by the side of Cebe. Harriss' bludgeon, as a spinning stick by the side of a weaver's beam.

Two native scallawags approached us, and said they were there to defend us. That astonished us, and we thought why did you not help us last summer; then was the time—then was the opportunity.

The Mayor, Police, and exhibit of the pistols, restored order. We were then called upon to give bond for our appearance at Court.

After protest and argument with the Mayor, against it, several friends offered themselves as our bail, without being called upon—among them Mr. Ed. Harris, who, after being recognized by the Mayor as our bail, started to say something about Turner and this crowd. The Mayor stopped him, saying it was none of his business. Harris continued to talk, when the Mayor threatened him with the Guard House; upon which Harris said, with an oath, there was not enough there to put him in the Guard House. The Mayor gave the order, the police seized Mr. Harris, the crowd shouted, one of the carpet bag hands pulled off his coat to aid, and, amid great excitement, Mr. Harris was carried to the Guard House.

The difference between the conduct of the Mayor towards the Governor and Mr. Harris was this; if he did not put the Governor in the Guard House, he should have threatened him as quickly and as early as he did Mr. Harris. Harris, if we remember, used no improper language until threatened with the Guard House. Harris, resisting and crying "take this d——d negro off of me," who, with others, held him, was then put in the Guard House.

A colored man sent us word not to venture out of the Hall, until the crowd had dispersed, for it would not be safe. We disregarded his admonition, and walked out, when it appeared as it all Africa had assembled around the Town Hall. The Leagues, like Know Nothings, Jacobin Clubs, and all secret political Societies, have secret signs and signals for assembling. We can't conceive how so many got together, in so short a time, except by the use of signs and signals.

NOW WE HAVE PEACE!

### "OUR BELOVED."

You the Governor did not allow us to reply to you before that assembly of negroes and the carpet baggers, in the Town Hall on yesterday. We do so now despite of you and your mob, and we have a larger audience to speak to than you had. You charged us with assailing your family—not a word of it is so. We said "one of the Holden family, a Radical gentleman, who lived, for years, in the Governor's family, informed us, &c., &c." Now we had three visits from this gentleman, who is not a negro but three-fourths or one-fifth white. He is intelligent, reads and writes well, and a man of better personal address than the Governor. He is the Governor's equal before the law, and our superior, for he can hold office while we cannot. He informed us he had been your slave, and lived, for years, in your family. Therefore, we called him of your family—as we would call Solomon, Bragg of Gov. Bragg's family—as we would call Stephen Worth of Governor Worth's family; and when we wrote the article at which you and your son pretended to be offended, we were as ignorant of our informant as we were and are-to-day of Stephen Worth or Solomon Bragg.

Our dealing, Governor, is with you and your son Joe, and that politically—and not with your family. We make you and Joe exceptions, because when you and he were Editors, you published us when we went North if we drank a toddy—you published falsehoods about our drinking.

Now we do unto you as you have done unto us, except where you stated falsehoods of us, we state truth of you. We have published you, and we shall continue to publish you, for going to the grog shops.

You are mad on the wrong count—like your Treasurer. The sale of the railroad bonds at 65, which you approved; the location of the Penitentiary, which had your sanction, and the failure to pay the January interest, are facts and acts that would condemn any carpet-bag administration.

We called the man who had been your slave, a Radical gentlemen, and not a negro, for you approved of the expulsion of the Reporters of the *Sentinel* from the Hall for calling black men, by the right name—negroes.

As to the carpet and cushions of which he testifies, we know nothing ourself. If the Secretary of State will disprove the charge he will not suffer by the accusation. He can't vindicate himself by his younger brother coming with a posse to attack us.

It is weak and wicked in old men to put lads forward to take the dangers which they should, but dare not, encounter.

### THE WAR IN ALAMANCE.

There has been some excitement produced here and elsewhere by the action of our turbulent Governor, in sending some negro "malish" to the County of Alamance. From the great rumpus kicked up by the Governor, we had feared that probably there was some slight reason for such a demonstration: but from reliable intelligence received this day from the "seat of war," we are induced to think that it is "a tempest in a tea-pot," and will turn out to be "great cry and little wool."

The facts as related to us are these: A colored man—name not remembered—entered the house of Mr. William Thompson, a respectable citizen living in the Salem neighborhood, in Alamance County. Mr. Thompson was in the field when this occurred.

The negro seized his daughter, about fourteen years of age, who began immediately to scream. He said to her, "Dont give any alarm, for I have hugged the daughter of Mr.——, (one of the leading gentlemen of the County,) and they had not resisted him." In the mean time, her little sister took the alarm, and ran out into the yard and blew a horn to signal her father.

Mr Thompson left his work and hurried to the house to see what was the matter. When he got there he found that the negro had fled. Taking his gun he followed the negro to his own house, and told him that he had come with the intention of killing him, but had changed his mind, and instead would give him ten days to leave the county. A few nights afterwards, the friends of Mr. Thompson's family went to the negro's house and trailed him soundly.

This is the intelligence furnished us by one of the delegates from Alamance county to the Legislature. He obtained it this morning from a gentleman of good reputation who lives in the neighborhood in which the affair occurred.

We respectfully suggest that there is no just cause for any military demonstrations whatever. We can not for the life of us detect in all this any good ground for arming negroes and threatening arrests. An attempt has been made to outrage a respectable white girl who was supposed to be defenceless, and the scoundrel has been punished for the crime by a severe thrashing—that is all.

But notwithstanding this, we suppose, that the peaceable citizens of Alamance are to be afflicted and annoyed for months to come by the presence of negro "malish," simply because a brutal negro was chastised for an atrocious attempt made upon a young white girl of excellent character. It was only yesterday, that we observed in a Northern paper a remark, that rapes by negroes were becoming epidemic in the South. And we may add, if they are to be protected in their villainy by the Governor's armed "negro malish," we can not imagine when they will cease to be epidemic.

It is said, that the Governor has sent the negroes to Alamance to "suppress the new rebellion,"—or in other words to *preserve the peace*, and yet, it was only yesterday, (only two days after the negroes had gone to the "seat of war,") that in the City of Raleigh, not a quarter of a mile from the State Capitol, its loil Governor, in the presence of the Mayor, (who was trying a certain cause,) and of a large multitude, DID THEN AND THERE ENDORSE EXPRESSLY THE BREAKING OF THE PEACE ON THE PART OF THOSE WHO HAD CONFIRED TO ASSASSINATE US. He not only did this, but only a few moments before, as he was on his way to the Mayor's office in company with four or five of his body-guard, without the slightest provocation, he raised his stick against a minister of the Gospel who was quietly passing him, and who was not at the moment looking towards him, exclaiming in excited and angry tones as he did so, "who are you?" The gentleman quietly told the war like Governor that "he would have nothing to do with him."

Thus it is, that on the same day, this peace-loving Governor justifies the breaking of the peace, and threatens with violence a minister whom he supposed to be a non-combatant.

The Brooklyn *Eagle* thus speaks of Gen. Longstreet, first cousin of the Duke of whom is Mrs. Grant, also is made Surveyor of New Orleans. He didn't flop even for no thing, and has not won Southern contempt, without compensation. To poverty and immorality he has preferred ostracism and wealth, and there is not a genuine man of either party but despises his swift recantation and swifter search for spoils. Let him go. By the star of Lee and over the grave of Jackson, alongside of Davis and Breckinridge, he becomes small to invisibility and he has forfeited the past.

IMPERIAL ORDER.—The Postmaster General has issued the following order:

"All applications for clerkships, whether by males or females, or for special agencies, route agencies, local agencies, or postal clerkships, must be filed with the clerks of the department. None will be received by the Postmaster General."

### THE WESTERN NORTH CAROLINA RAILROAD.

A few days ago, we published a short editorial upon the unfairness of certain legislation with reference to this road. We now recur to the subject, that we may be more explicit, and, at the same time, may lay some facts before our readers for their consideration.

In the year 1855, the Legislature chartered the Western North Carolina Railroad. The *termini* were Salisbury, and the Tennessee State line. The State appropriated $4,000,000. Individual stockholders subscribed $2,000,000. This entire amount was expended in completing the road as far as Asheville, in Buncombe County.

The last Legislature proposes to extend the road from Ashville to Ducktown, and also to build a branch road from Ashville down the French Broad River. It, therefore, chartered a new Company, and appropriated $4,000,000 to that end, calling the new Road the Western Division of the Western North Carolina Road.

At the present session of the Legislature a bill was introduced making an additional appropriation of $2,666,000 to the Western Division, and $333,000 to the Eastern Division. This bill provides that the *Stockholders* in the Western Division *shall elect all the Directors* for their end of the Road. Mark, that nothing has yet been paid and no work has yet been done.

The bill also provides that in the Eastern Division the *State proxies shall elect all the* Directors. Mark, nearly all of the Stock subscribed by individuals has been paid.

Now what is the result of such unjust legislation? We answer, that all the private Stockholders who had already paid up their subscriptions are *disfranchised*—are not allowed to choose their own Directors, whilst the Stockholders of the Western Division, who have *not* paid as we are assured, are permitted to elect their Directors. And this palpable injustice is done in the very face of the fact that the *original charter* absolutely and unqualifiedly made provision that *the private Stockholders shall appoint one-third of the Directors* inasmuch as they own one-third of the stock.

Why has this wrong upon these stockholders been perpetrated? In what have they offended? How is the State to be benefitted by such an infraction of the plighted faith of the State? It will not do to say, that the interests of the State will be protected, for be it understood, that, in the Eastern Division, all of the money subscribed by the *private stockholders* has been paid, and nearly all of the road completed. Why then this shameful favoratism? It will not do to say that the interest of the State will be protected, for the present Legislature has ordered that the *stockholders* (and *not* State proxies) shall elect *all* of the Directors in the Western Division. This is deliberately done when the State has $7,000,000 of bonds. All protection is taken away by this act. Where the State has so much at stake, and where the *private stockholders* have paid nothing, all power is given to the latter; but where the *private stockholders* have paid their subscription, all the power is taken away from them.

We have never known a more bare faced wrong than this. It ought to be remedied at once. The just men of our Legislature ought to see to it that this outrage upon the rights of so many good citizens, is removed, and that equity and fair dealing be extended to them.

Keep it before the people that I told the people six months ago, that I intended to run through my campaign with my motto to give each and every individual value received, for their valuable support giving the Ladies a fine opportunity to exercise there fashionable rights as, well as the gentlemen, and since that time thousands have showed their good judgment by coming and demonstrating the truth of my assertion. I tell you Creech's is the place. And permit me to return my sincere thanks for your very liberal and valuable patronage for the last twenty-five years. I hope by strict attention to business and honest dealing, giving each and every one the worth of their money, that I will continue to share a liberal share of your patronage, the rest of my talking I shall do at my place of business which is Creech's corner Fayetteville Street Raleigh March 25-tf A. ### LIFE INSURANCE.

NATIONAL

LIFE INSURANCE COMPANY,

OF THE

UNITED STATES OF AMERICA,

WASHINGTON, D. C.

*Chartered by Special Act of Congress, Approved July 25th, 1868.*

CASH CAPITAL,

$1,000,000,

PAID IN FULL.

It is no longer a question with any man, who tenderly loves his wife and children, who considers how helpless would be their condition in case of his death, as to the duty of taking out a LIFE POLICY, but as to which Company he shall pay his money.

If he reflects a moment he will conclude to patronize the Company which shows the greatest degree of vitality, which extends its business over the largest area, which is a Home Company in every locality; which furnishes insurance at the least cost; which issues no policies that are forfeitable should he be unable next year, or any subsequent year to pay his renewal; and which is undoubtedly able to meet ALL ITS PROMISES.

With these feelings and views, he looks over the newspapers and, by the time he gets through reading the advertisements of Mutual or Mixed Companies, he finds his mind so fuddled that he is at a loss where to go or what to do. He can not comprehend one-half that is written, and concludes that none but ACTUARIES, who are familiar with the principles upon which Life Insurance is based can comprehend or explain anything about dividends and his liability for notes given in part payment of premiums. In his dilemma, he comes into the plan adopted by the

NATIONAL

LIFE INSURANCE COMPANY,

U. S. A.,

and finds just what he wants:

**An ALL-CASH PLAN, reduced to the LOWEST MINIMUM Rate, like any commodity in Market, so much Insurance for so much Money. No notes to give; no interest to pay; no anxiety about Assessments; no apprehension of his Policy being forfeited next year if he does not pay his annual Renewal; and the RATES so much LOWER than other Companies, that he realizes a larger Dividend, IN ADVANCE, than other Companies can pay him in the future.**

He finds that, instead of this UNCERTAIN PROMISE, and present high rate, that the

NATIONAL

presents a certain and definite sum for a much lower rate, and puts up its paid up Capital of

$1,000,000

as a guarantee fund, that its contracts will be fulfilled, and, like thousands of others, cheerfully calls on their Agent to make his application for a Policy. Hence the unprecedented and most wonderful success of the NATIONAL as contrasted with the older and Mutual Companies.

The Company issued its first policy on the 1st of August, 1868, and up to March 1st, 1869, it had issued 3,582 policies.

CAUTION! WE desire to warn the dealers in, and consumers of Snuff generally, that since the war, certain Tobacco Manufacturers, being unable to find a market for their snuffs, felt themselves obliged to counterfeit the general appearance of our packages, and imitate our Trade Marks so that a close inspection is necessary to detect the spurious article, from the genuine, and others going so far as to assert that "Lorillard's Snuff is no longer made."

In making this publication we desire to warn the public against the impositions practiced upon them, as they are the losers thereby. It will be found, upon comparison, that Lorillard's Snuff is "far ahead" of all others, being made of the best stock, after an original and secret process known only to ourselves, besides possessing great age, strength and pungency, and is warranted not to contain any dangerous or deleterious substances, which cannot be said of many worthless articles put on sale by others. The best is the cheapest in the end. A circular will always be mailed on application. In ordering please specify if Salt Snuff (High Toast,) or Fresh Snuff (Extra Scotch) is desired.

### *AGRICULTURAL MEETING.*

An adjourned meeting of the State Agricultural Society was held at the Court House to day. K. P. Battle in the Chair.

Hon. D. M. Barringer, Chairman of the Committee appointed at the last meeting of the Society, to confer with the Secretary of State and Agricultural Committee of the Legislature, with reference to the organization of the Agricultural Bureau, provided for by the State Constitution; made a verbal report, stating that the Secretary of State had prepared a very liberal and acceptable bill, which had been submitted to the Executive Committee, and approved with certain suggestions and amendments. It was mutually agreeable, that said bill was now under consideration by the Legislature, and as it materially effected the Society—that he deemed it prudent to advise the Society to adjourn until the said bill becomes a law, and that there was but little doubt that the bill would pass in a few days.

Senator Sweet, on the part of the Committee to secure Compensation from the General Government for buildings owned by the Society and destroyed by the United States authorities, and for the use of the premises since the surrender, reported that he had discharged the duty and had prepared a memorial- setting forth the value of the buildings and damages—and that he was encouraged to hope that compensation would be made.

Rev. Dr. J. Brinson Smith, the Corresponding Secretary, suggested that manufacturers of Agriculture Reapers be invited to send samples of the Reapers to the Executive Committee during the ensuing harvest to be examined, and their merits reported to the Society. Concurred in.

The President stated that the city authorities had agreed to convey all the land once occupied by the Society on same terms as heretofore.

The Corresponding Secretary was requested to prepare such amendments to the bill under consideration, above referred to, as was agreed upon by the Executive Committee, and the Committee who had the bill in charge to incorporate them.

On motion of D. M. Barringer, the Society adjourned, subject to the call of the President. K. P. BATTLE, Pres.

P. F. Pescud, Sec'y.

### *A CORRECTION.*

There is an error in the *Standard's* report of young Holden's visit to the *Sentinel* office on yesterday. Mr. Kingsbury did *not* say that Mr. Turner was the author of the offensive article. What he said was this.—When asked by Mr. Holden if he were the author, he replied, "I am not, and if you want further information you must apply to the editor, Mr. Turner, who is absent, but will return in the afternoon." Hon. Plato Durham and Mr. Ramsay heard the conversation.

### *WHAT ONE OF "GOV." HOLDEN'S FRIENDS SAYS.*

Squire William S. Bradsher, of Alamance, called this morning to know if the Governor had "Ku kluxed" us on yesterday. He says that Mr. H. A. Badham, said that if he were Thompson, the father of the girl whose outrage was attempted, HE WOULD LIE BEHIND A LOG UNTIL THE MOSS GREW ON HIS BACK BUT HE WOULD KILL THE NEGRO—SQUIRE ALSTON.

### *SENATOR GALLOWAY.*

Senator Galloway, the leader of the Radical party and Elector for Grant, and evidently a man who thinks and counts for himself, says the attack upon us yesterday at the depot was mean and cowardly.

Why is a comet more like a dog than the dog star? Because the comet has got a tail, and the dog star hasn't.

An unsuccessful lover was asked by what means he lost his intended. "Alas," he cried, "I flattered her until she got too proud to speak to me!"

One shockingly inclement day a poor woman begged of Charles Lamb, ending her appeal with, "Believe me, sir, I've seen better days." "So have I," said Lamb, handing the poor creature a shilling, "so have I; it's a miserable day! Good-bye."

The most impudent of all things is a mirror, for it is continually casting reflections.

## Legislature of North Carolina.

### HOUSE OF REPRESENTATIVES.

AFTERNOON SESSION.

WEDNESDAY, March 24, 1869.

By Mr. Stevens: A bill to empower Arthur Gaskins to re-open his ferry. Referred.

By Mr. Hicks: A bill to amend the act to incorporate the Cheoik Turnpike Company. Referred.

Bill in relation to the Louisburg branch of the Wilmington and Weldon R. R., was taken up.

Mr. Welch offered an amendment submitting the proposition to a vote of the people.

After some little debate the amendment was put to a vote and rejected by a vote of yeas 83, nays 43.

The bill, after being slightly amended, passed its third reading. Yeas 43, nays 33.

Mr. Laffin from the Committee on Internal Improvements, reported favorably upon several Railroad bills, and unfavorably upon the bill incorporating the Charlotte Railroad Co. The bills were placed upon the calendar and made special order for Friday next at 11 o'clock.

SPECIAL ORDER.

The bill to provide Salaries for the Governor and Treasurer of the State. [The bill provides that the Governor shall have a salary of $5,000, and the Treasurer $3,500. The said salaries to commence with their terms of office. The bill further provides that any sums received heretofore under special act shall be accounted for in part payment of Salaries.]

Mr. Pou moved to amend by paying $3,000 per annum for Governor.

Mr. Justice, of Rutherford, opposed the amendment. He was in favor of giving the Governor $5,000; and the Treasurer $3,500 as the bill proposes.

Mr. Ingram moved to amend Mr. Pou's amendment by giving the Governor $4,000 per annum.

Mr. French moved for a division of the question as to whether or not $5,000 should be stricken out—Carried.

The yeas and nays being called and the house decided to strike out by the following ballot.

YEAS.—Messrs. Allison, Armstrong, Ashworth, Banner, Barnes, Blair, Boddie, Carson, Davis, Davidson, Durham, Farrow, Perebee, French, Gibson, Green, Grier, Gunter, Hawkins, Hendricks, Hicks, Hinnant, Hodgin, Hodnett, Humphries, Ingram, Jarvis, Kelley, of Davie, Kelley, of Moore, Long, of Chatham, Long, of Richmond, Malone, Matheson, McMillan, Mendenhall, Moore, of Alamance, Painter, Pearson, Pou, Robinson, Smith, of Alleghany, Smith, of Wayne, Snipes, Stanton, Sweat, Vestal, Welch, Whitley and Williams, of Sampson.—48.

NAYS.—Messrs. Ames, Barnett, Carey, Cawthorn, Cherry, Clayton, Dixon, Estes, Forknet, Foster, Franklin, Gahagan, Graham, Harris, of Wake, Hayes, Horney, Justice, of Rutherford, Kinney, Laffin, Leary, Mayo, McCaeless, Morris, Peck, Price, Ragland, Renfrow, Robbins, Reynolds, Simonds, Stevens, Stilley, Sykes, Vest, White, Wilkie, Williamson and Wilson—40.

Mr. French moved to reconsider the vote just taken and moved to postpone the consideration of that motion until to-morrow morning, 11 o'clock.

J. H. Harris, of Wake, colored, moved to adjourn. Lost.

The question recurred upon Mr. French's motion to postpone the consideration of the motion to reconsider.

The yeas and nays being called, the House adopted the motion by a vote of yeas 86, nays 46.

Mr. Laffin moved to adjourn.

The yeas and nays being called, the House refused to adjourn, by a vote of yeas 19, nays 50.

Mr. French withdrew his motion to reconsider.

Pending any definite action, the House adjourned.

### SENATE.

NIGHT SESSION.

WEDNESDAY, March 24, P. M.

The Plaster Bank Railroad bill passed its third reading.

The N. C. Central Railroad bill being on its third reading—the yeas and nays being called, resulted yeas, 27, nays 6.

Pending the call for the yeas and nays, a call was made for a direct vote—or the previous question. When the yeas and nays were being called, Mr. Lindsay, when his name was called, asked leave to explain the vote which he was about to give. Objections being made, the President put the question to the Senate. "Shall the Senator have leave to explain? and a rise and count was ordered. The President announced that a majority had voted in the affirmative, and Mr. Lindsay was about to proceed, when,

A. H. Galloway, colored, arose to a question of privilege, and insisted, as the negative vote had not been called, the Senator had no right to proceed—the minority had rights on this floor, which should be respected, and he knew that twenty-four votes had not been counted.

The President rapped his desk with his gavel, and desired the Senator from New Hanover to repeat what he had said.

Galloway reiterated what he had said, and declared he had counted the vote, and that twenty-four did not vote.

The President replied, he had stated a fact that he knew—the Senator from New Hanover had asserted that which he did not know; and but for the position which he occupied, and the latitude which he had been allowing, he would enforce the rules of the Senate.

Mr. Shoffner arose to a point of order. The Presiding officer of the Senate had the right to explain, and to decide points—and it was out of order for Senators to sit in their seats and reply to that officer.

A. H. Galloway, colored, arose to a privilege question. He remarked, that the Senator from Alamance, was a bull head.

Mr. Shoffner made no reply, and a profound silence prevailed for several seconds.

Mr A. J. Jones moved a reconsideration of the vote by which the bill passed its third reading, and on this motion called the previous question. The call was sustained and the Senate voted to reconsider. Yeas 26, nays 8.

Mr. A. J. Jones then offered a provision, making the guage of the road, same as that of the N. C. R. R.

A. H. Galloway, colored, arose to a question of privilege, and stated, that there were other persons than Senators on the floor when the count was taken, and that he believed the mistake was thus made.—He disclaimed any intention of disrespect to the President, and expressed his confidence and admiration for the President of the Senate.

Mr. A. J. Jones made an argument against the bill, on the ground that it was apparent the charter obtained, the road would pass into foreign hands, who would build the road to the great detriment of the State. Simple charters would not build roads. The charter did not ask for State aid, and therefore Senators must know that the road was intended for the benefit of a road out of the State, &c.

Mr. Davis denied the insinuation that the Baltimore & Ohio road wanted this road—no one had proposed to buy it—nothing of the sort was intended—his people wanted the road, and expected to build it.

Mr. Welker defended the road, and asserted that the road would be built, and the State would be benefitted by it. He denied the right of any one to impugn the motives of the friends of the road.

Mr. A. J. Jones disclaimed any intention of casting any reflections whatever upon the motives of the friends of the road. His amendment was solely to protect the interest of the State—and if the Company intended to build the road, a four foot and a half guage could be built cheaper than a five foot road.

After some remarks by Mr. Love, in favor of the bill,

Mr. Osborne addressed the Senate in opposition to the road, as did, also, Mr. Robbins.

Mr. Moore, of Carteret, called the previous question, which was sustained—and the question being put on the amendment proposed by Mr. A. J. Jones, resulted in its adoption by a vote of 30 to 4.

The question then recurring on the passage of the bill, its third and last reading, as amended, resulted, yeas 30, nays 4.

The Senate then adjourned.

## Remarks of Senator Sweet, on Wednesday, 24th inst.

MR. PRESIDENT:—A painful accident prevented my attendance yesterday, and I was, therefore, unable to vote upon the passage of the revenue bill, upon its third reading.

I ask permission to record my vote.—Although the revenue bill contains several objectionable provisions, yet I wish to indicate, by my vote, my desire to do all in my power to strengthen the credit of North Carolina. I, therefore, vote aye.

Mr. President, I also rise to a question of privilege. A member of the General Assembly informed me, a few moments ago, that, day before yesterday, the son of the Treasurer intended to assault me upon the adjournment of the Senate, for words spoken in debate. He took position in the corridor, through which, he well knew, I ordinarily passed in making my exit from the Capitol.

The accidental acceptance of an invitation to accompany a friend, caused me to pass through another corridor, and thus the assault intended for me was unconsciously averted.

I do not rise for the purpose of informing the Senate that a gross and brutal invasion of its rights and privileges is contemplated, but simply to say, in a public manner, that in eleven sanguinary battles upon the soil of Virginia, for three years, I met brave men face to face without quailing, and no such demonstrations as this can swerve me a hair's breath from the pathway conscientiously marked out by me for the discharge of important public duties.

I belong, sir, to a class "who know their rights, and knowing, dare maintain them," and I shall maintain them by all the means which God, and nature, and art have put into my hands.

Mr. President, I desire to harm no man on God's footstool, but I now publicly wash my hands of all responsibility for any consequences that may ensue from any attempts to carry into execution this threat made against me for words spoken in debate.

For the Sentinel.

STANHOPE, NASH COUNTY, N. C., March 8, 1869.

*Editor of the Sentinel:*—I must give you a narrative of the first Judicial Court held in the county of Nash under the Radical administration. We think it was about 18th of Feb. last at Stoney Hill in said county,—we went there as spectators, and on reaching the *Hill*, we found quite a number of persons. Among the crowd were three Justices of the Peace who constitute the Court, all of them carrying to their side a large haversack, representing war, stuffed full of law books and documents, and from the size and weight might have had their rations along. The Court however was soon called and but one of the Judges took his seat. The Court seemed to be controlled by him alone. He took his seat in a piazza and ordered the Court to be opened; the other two Judges looked dejected and downcast. The first case called was the State vs. one of the Justices who was carrying his large carpet-bag, for stealing a dwelling house from a poor widow woman. A jury was sworn and empanelled to try the case. The *Defendant* walked up and faced the music in good faith. Without any explanation he ordered the Court to give him a judgment against the *Plaintiff* for the cost. He took from his large haversack a newly bound book and said to the Court that it was the book of Procedure, and it contained the newest laws known of. We could not understand the language of his book. We think he used some words that had sixteen or seventeen syllables in them, whereupon the suit was withdrawn. The next suit being called was the State against the other Justice of Peace for stealing a pair of millstones and fixtures. He was asked by the Judge if he was ready for trial. He said that was not for him to say. He leant over and drew from his large carpet bag a new looking book and read the law to the Court justifying a man for stealing small things like mill stones and fixtures and ordered the Court to give him an appeal to the Superior Court, the *Plaintiff* being slow to speak at last asked the Judge to give him a judgment for his property that the man had stolen and then give him an appeal. The Justice paused awhile and gave the man a judgment for $190, whereupon the *Defendant* ordered the Court to grant him an appeal. It did so, but while the Judge was filling up his bond, the *Defendant* ranaway without giving security. By this time the day was spent. A young man took a friend of his to one side to advise with him. He said that the Justice that tried those other two Justices had stolen one hundred and fifty acres of land from him and he wanted a warrant against him. I wonder, said he, if one of those poor criminals that he has just tried would give me a warrant against him for stealing my land. I can give no further particulars of the Court, having attended none since.

Yours truly, OLD NASH.

## Wednesday Midnight Dispatches.

FROM WASHINGTON.

WASHINGTON, March 24.—The President nominated Giles A. Smith, second Assistant Post-Master General. Moses H. Grinnell, Collector of Customs of New York.

Quite a number of Northern officers were confirmed in executive session, ending with Henry D. Moore, collector of the port of Philadelphia.

CONGRESSIONAL.

HOUSE.—Mr. Paine introduced a bill punishing civil or military officers having power but failing to enforce the fourteenth amendment, with fine and imprisonment.

Mr. Butler reported the Mississippi bill.

Mr. Beck moved to amend, giving the President power over the Provisional Government.

Mr. Farnsworth gave notice that he would move to postpone till next session.

The House then adjourned.

SENATE.—The Committee on foreign relations reported a bill concerning the treaty of July 4th, 1868, with Mexico, for the adjustment of claims.

The Tenure-of-office passed to the following effect: The President may suspend during recess and appoint another to perform the duties of the office, reporting the suspension within thirty days after the next meeting of Congress and nominating a successor. If the Senate refuse to confirm the nomination, also by a vote disapprove of the suspension, the suspended officer at the end of the session shall resume his office. The President need give no reason for suspensions.

After an executive session, the Senate adjourned.

FROM RICHMOND.—THE GUBERNATORIAL MAIL ROBBERY CASE.

RICHMOND, March 24.—The examination of Gov. Wells and others regarding the purloining of a political letter from the Post-Office, was continued till next Monday by the United States Commissioner.

Business in the offices of ineligible officers of the capitol was suspended to-day and nothing more, it is understood, will be done until Gen. Canby arrives.

## Thursday Evening Dispatches.

FROM WASHINGTON.

WASHINGTON, March 25, M.—In an absolutely authoritatively authenticated interview between Grant and the Mississippi delegation urging Grant's assistance in passing the impending bill, Grant doubts whether said bill will restore peace to Mississippi. Grant favors the appointments by military government with re-submission of the Constitution with separate vote on objectionable features, some of which, he says, probably would be, and, perhaps, should be defeated.

The Governor of New Jersey, in his message, argues against the ratification of the XVth amendment.

Rhode Island postponed action.

LIFE INSURANCE.

The Most Vigorous and the Most Liberal Insurance Company in the Country.

BROOKLYN LIFE

INSURANCE COMPANY,

141 Broadway, N. Y.

ASSETS OVER

$1,000,000!

CHRISTIAN W. BOUCK.....*President.*
ABRAM D. POLHEMUS.....*Vice President.*
WILLIAM M. COLE.....*Secretary.*
D. P. FACKLER.....*Consulting Actuary.*
DANIEL AYRES, M. D., LL.D.....*Med. Examiner.*

*POLICIES ISSUED AS GOOD AS UNITED STATES BONDS.*

POLICIES VALUABLE IN LIFE AS AT DEATH!

The BROOKLYN LIFE is the only Company in the country which guaranties a definite surrender-value to every Policy on which two or more annual premiums have been paid; this amount, in dollars and cents, is endorsed on every Policy issued. Should any Policy-holder become unable to pay his premiums, he can thus know the cash worth of the Policy at any time after two annual premiums have been paid.

This certainly is the greatest inducement and most tangible advantage ever accorded to parties insuring their lives.

Among the advantages offered by the BROOKLYN, which thoroughly evince the determination of the officers to make it the MOST LIBERAL Life Insurance Company in the United States, are:

1st. TOTAL REMOVAL OF ALL RESTRICTIONS ON TRAVEL AND RESIDENCE. The Assured may travel or reside anywhere they choose, the world over without extra premium or special permit.

2d. A Loan of one-third of the Premium to the Policy-Holder Annually.

3d. All Policies are non-forfeitable after two full annual premiums have been paid.

4th. Rates as low as are consistent with financial soundness, and less than those of almost all Companies which accommodate their assured with loans.

5th. Dividends annually (after second year) in cash. Dividends are divided on the CONTRIBUTION PLAN—the only equitable manner of dividing the earnings of a Life Insurance Company. The Contribution Plan was first conceived by Mr. D. P. Fackler, now Actuary of this Company and has been adopted by most of the best managed Life Companies in this country.

The BROOKLYN LIFE has paid and now pays to its Policy-holders LARGER DIVIDENDS than ever before paid by a Life Insurance Company!

6th. Promptitude in paying losses.

7th. No charge for policy or stamp.

The success which the "BROOKLYN" has achieved, fully exemplified in its rapid and healthful growth, is a convincing proof of the confidence reposed by the public in its soundness, integrity and liberality.

CASH RATES!
CASH POLICIES!
CASH DIVIDENDS!

DIVIDENDS PAID ANNUALLY, COMMENCING AT THE END OF THE YEAR.

Dividends may be used to reduce the annual Premium, or increase the Cash value of the Policy.

NON-FORFEITING CASH PLAN.

The Ætna issues Policies on the various forms of whole life and endowment insurance, with dividends on the contribution plan, which may be applied to the reduction of each annual premium after the first, or the full premium may be paid each year and the dividends applied to reduce the number of annual premiums, together with the period fixed for the maturity of the insurance, so that endowments can be paid to the insured before the time originally specified, and life-policies before death.

By this plan of applying the dividends to lessen the cost of the insurance on the original policy, instead of increasing the amount of insurance, and of course its total cost, and the policies will become self-sustaining much sooner than in other companies; and in case of inability to continue payments, give a larger paid-up-policy.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount*, without further payments, the assured may, at his option, either continue payment of premiums—and enlarge thereby the annual additions to the Cash Value—or discontinue them; and in either case, when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a per centage of said sum, and paid in cash, and upon surrender of said Policy the sum insured thereby will be paid in *full*, without regard to the time fixed therein for its payment.

The system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but, at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.

The New York *Insurance Monitor* says of the ÆTNA:

"No Life Insurance Company ever achieved so complete success as this popular institution.—Its popularity is altogether unprecedented in the annals of commercial enterprise in this country."

## CAPITAL OF THE STATE,
Daily, Semi-Weekly and Weekly.

## NEW ARRANGEMENT.

The RALEIGH SENTINEL having passed under the Editorial management of the undersigned, it will, from the present date, be conducted by him.

It will be the zealous and fearless advocate of the CONSTITUTION of the United States, seeking to bring the people back to their ancient reverence for that immortal instrument, and to restore the policy of the country to that honored standard, as the only guarantee of National prosperity.

It will do justice to the men and measures of the present day, whenever they may merit it, but it will unsparingly lash and denounce all who set themselves up in opposition to the Federal Constitution, and hold up to the public indignation corruption and imbecility in high places.

It will ardently seek the promotion of the best interests of North Carolina,—moral, educational, material and political.

### THE LATEST NEWS

From every quarter, both by mail and telegraph will be carefully collated and presented.

Full and correct market and financial reports will be given.

And, in one word, no effort will be spared to make the SENTINEL, in all respects, a reliable

NEW METHOD OF WASHING CLOTHES
WITHOUT LABOR.
THE AUTOMATIC
**CLOTHES WASHER AND BOILER.**

THIS BOILER IS MOST EFFECTUAL, reliable and universally recommended. It can be used on any Stove or Range, in any boiler, and the LOW PRICE of the article places it within the reach of every family.

This Boiler operates upon purely philosophical principles, is self-acting, and dispenses with labor and the wear of the clothes.

The hot suds and steam, by the action of heat, are driven up through tubes, poured upon the clothes, and forced through the fabric with tremendous rapidity, cleansing all articles, from the finest laces to the coarsest blanket. For Flannels it is invaluable, as it does not full them as in the old process of rubbing and pressing.

The time required for cleansing a boiler full of clothes is twenty to thirty minutes, and nearly three hundred gallons of boiling suds are forced through the fabric, thoroughly loosening and eradicating the dirt WITHOUT LABOR OR FRICTION.—A thorough rinsing finishes the process.

Washing day will no longer be a terror and dread to housekeepers. The cost of the Boiler will soon be returned in the SAVING OF TIME AND LABOR, and the great saving in the wear of clothes.

The great value of this invention appears so clear, and appeals so directly to common sense, that we have deemed it unnecessary to accompany its introduction with numerous letters of approval, &c.

No invention has met with such ready sale and given such satisfaction. Call at LOUGEE & BROTHER'S, and see its wonderful operations.—We have the exclusive right to sell and manufacture in the State.

MY STOCK IS LARGE AND VERY COMplete. Allow me to say that you see some very strange advertisements. Some say they bought goods before the rise—some after the decline—some just in time—some in luck again—some buy goods cheaper than anybody else—some selling goods at unprecedentedly low prices—some controlling the trade &c., &c., and all such stuff. What a ranky set of individuals!

Now just let ME tell you, that there is more humbug than poetry in all this. Don't every man, woman and child know that it is humbug—large enough to be seen even with one eye shut? So let them talk, puff and blow, but STOP, LOOK OUT! HANDS OFF! and show your good judgment by
